## Planning

In order to be eligible for payment of Marketing Funds, Partners need to submit a Plan and an overview of the Marketing Funds to be spent on Activities in accordance with MS instructions and approved by Microsoft before execution of the Activities. Approval of a Plan is a necessary prerequisite to payment of Marketing Funds.

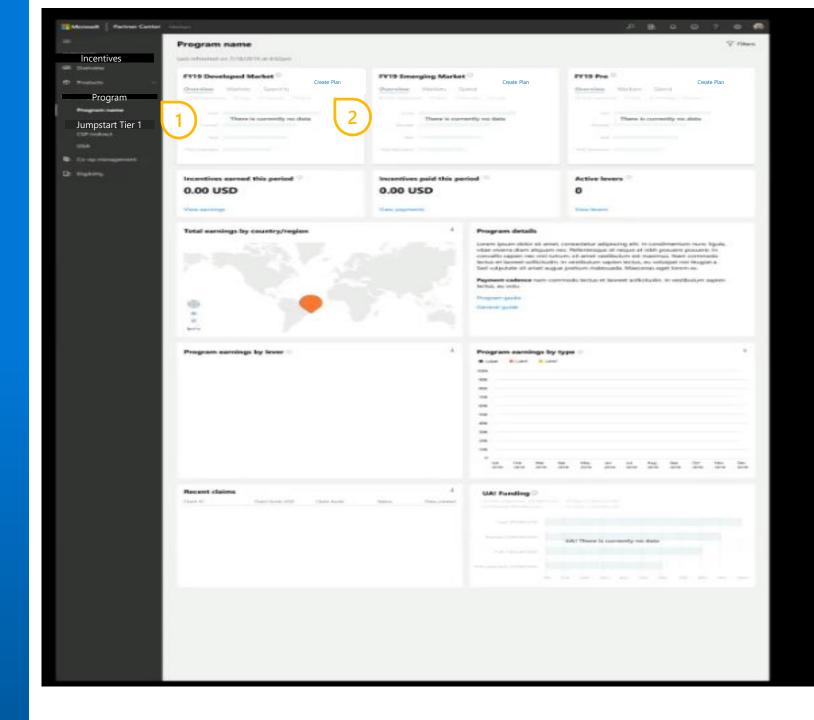

Plans from the CHIP system will NOT be migrated to Partner Center.

More information on the Planning and Execution of Marketing Funds can be found in the <u>Jumpstart 2020</u> <u>Tier 1 Program Letter.</u> <u>Office Incentive Program Resource Center, Program Year 2020 Server MDF Program Letter</u>

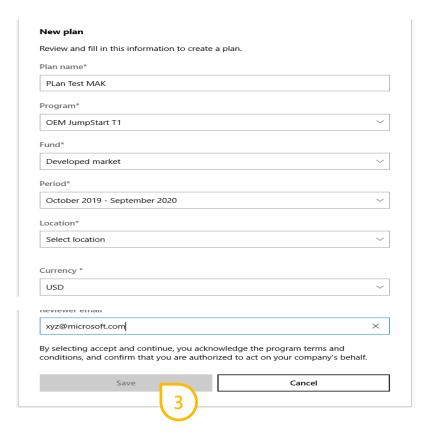

1 Select Program from dropdown under Incentives; Program name.

2. Select Create plan in the applicable market type.

- 3. Complete the New plan form and select Save.
- The fields that auto populate based on the selections on the previous screen, can be changed at this time if desired.
- Currency is the value you want to have the plan reflect; as activities can vary. The activities values will be converted to this selected Currency.
- Reviewer email should be the Microsoft email of your Account Manager.

Only one plan can be created per MPN id, fund, Program and Period. An error message will be presented.

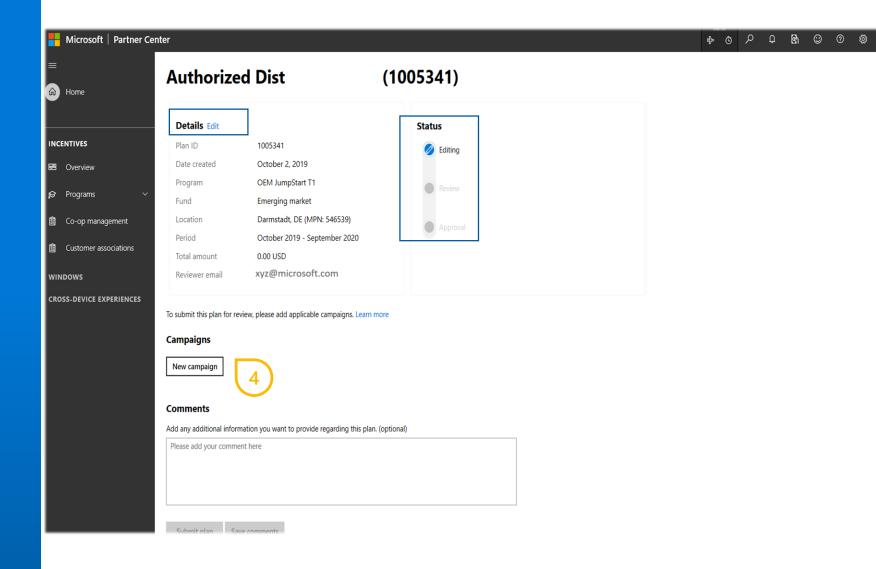

Note: When you select Save you are acknowledging the program terms and conditions as called out in the form.

4 Select New Campaign

You can Edit the details by selecting Edit.

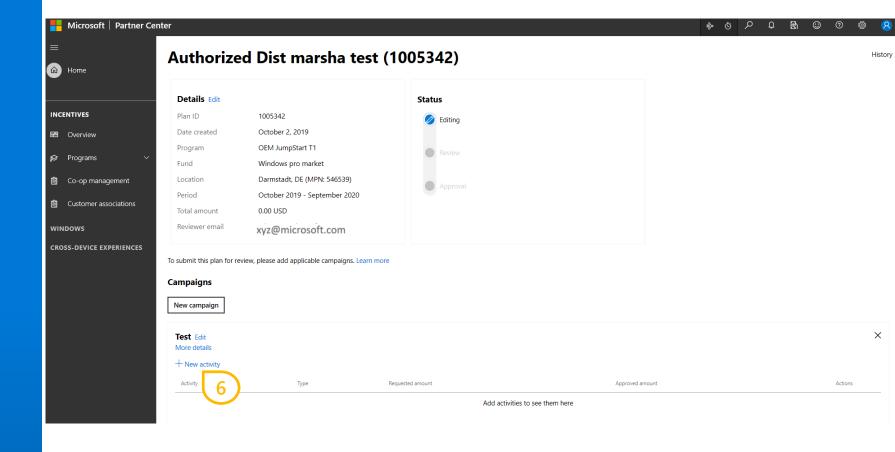

Note the progress bar in the top right corner.

5 Complete and Save New campaign form.

The plan must now be approved by Microsoft.

The plan submitter will receive an email when the plan is approved or more information needed. Any Incentive Admin will be able to action the plan from the action needed status.

To edit the activity, select the activity name . Edits will follow the approval process of a new activity.

While a plan is in the Review status, you may recall the plan to make edits to:

- Plan name
- Currency
- Reviewer email

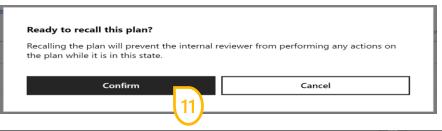

11. Select Confirm

Note: this will stop the approval process.

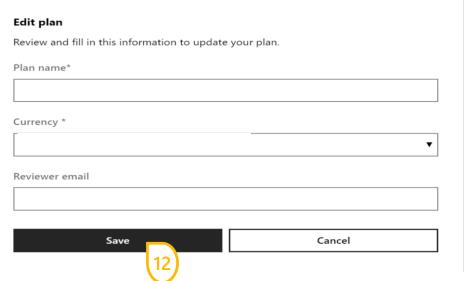

The Status will now reflect Editing.

12. Complete the Edit plan form and select Save.

The plan must now be approved by Microsoft.

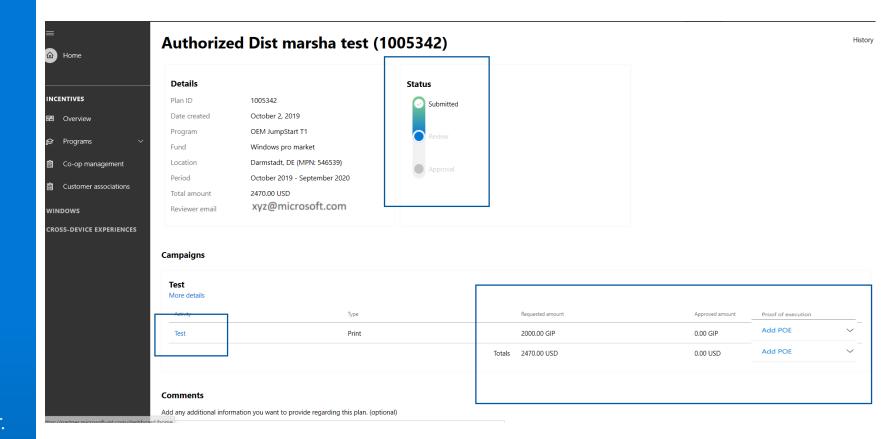

After approval, the new activity is added under campaigns reflecting:

- Requested Amount
- Approved Amount
- Add POE

Note the progression of the status bar.

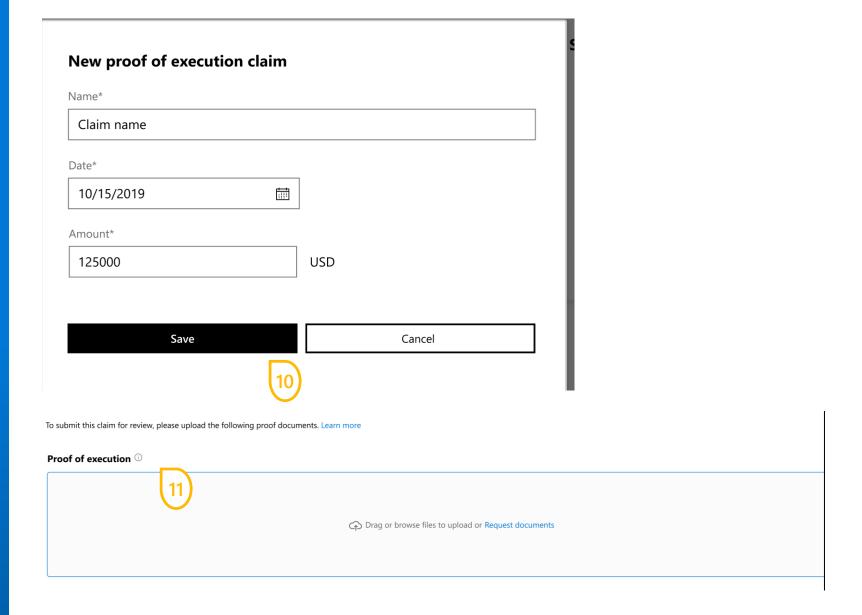

#### POE

POE functionality will **not** be available until CY 2020

- 10. Complete New proof of execution claim and Select Save
- 11. Drag or browse files to upload proof documents

#### NOTE:

Per program rules, POE must be submitted by 6 months after the campaign end date.
